per day

* Rates are subject to change without notice. Please call for updated rates. **Level of Care One** is designed for those residents who require supervision in a secured environment with minimum assistance with daily living. The cost includes assistance with bathing, daily hygiene, dressing and medication. Residents receive fresh linens and towels as well as any toiletry supplies needed. **Level of Care Two** is designed for residents who need additional attention due to physical or mental conditions. This includes all the services and amenities provided in the Level of Care One, and includes greater personal assistance.
